

Qualified Health Plan Individual Premium Rates for Arkansas

Company name	Plan name	Rating Area	AGE	Individual non-tobacco rate	Individual tobacco rate
<p>Premiums are listed first by the insurance company, then by each company's plan. Premiums for each plan depend on the rating area, age, and, with some plans, the tobacco use of an individual. Premiums for each scenario are listed below.</p> <p><i>These amounts do NOT include Advanced Premium Tax Credits eligible consumers could receive and which could lower their premiums substantially.</i></p> <p>Depending on a sliding scale based on income, a consumer eligible for tax credits could pay as little as about 10 percent of the listed premium or as much as about 80 percent of the listed premium. To be eligible for these tax credits, an individual or family must make less than 400 percent of the Federal Poverty Level.</p> <p>Consumers earning 400 percent or more of the Federal Poverty Level, may still purchase plans in the Marketplace but are NOT eligible for financial assistance. These consumers would pay the amount listed.</p> <p><i>The rates below only apply to those consumers buying insurance in the individual market. Consumers with insurance through their employers or through Medicare are not affected.</i></p>
